

Tostock Carpet Bowls Club

We have had a most successful 2025/26 Bowls season in the Bury Winter League.

We finished in second place with Stanningfield the winners. During the season we were in the lead for several weeks. The final points between us and Stanningfield was 10 points. We also got to the semi-finals of the Bury Knock-out Cup where once again we were up against Stanningfield. Unfortunately we lost both the home and away games but we gave it a good shot!

Five villagers have joined the Club since the last season and three of them regularly play in the league games. Six members also play in various competitions organised by the Suffolk Carpet Bowls Association at Needham Market during the year, where they meet clubs from the East Suffolk area, which is all good practice.

Our annual lunch last year was at The Manger at Bradfield.

It is encouraging that the standard of bowls has improved over this recent year.

Doreen Buckle, Secretary
