

KNITTING AND CROCHET GROUP

I'm representing the 17 members of the Knitting and Crochet Group who would like to convey a big thank you. Firstly, to the Parish Council for your ongoing support of our Christmas displays on the Village Green; to Jane Storey for offering to store these in her container; and, finally, to District Councillor David Bradbury who recently granted us a locality award - this money will be used to hire the Village Hall for our meetings and to purchase supplies for future projects.

We have received positive feedback via the village Facebook page for all our work and efforts to make things for the community to enjoy.
