

## **TENNIS CLUB**

The Club continues but is in desperate need of new committee members.

Thanks to Susie and Freddie Walton who were Chairman and Secretary for several years but have now left the village and wish to stand down. Also thanks to Liz and John Adams, both of Norton, and Nigel Kaines of Stowlangtoft - they really wish to step down as Liz does not enjoy good health at the moment and Nigel hopes to move house in the near future. Therefore, I am the surviving committee member having attended an AGM soon after moving into the village in 1991!

Membership numbers have dropped in recent years as there were many other things for people to do. We had build up reserves of just over £6,000 but we have spent a good part of this over the past two years in maintenance on the court, dealing with weeds, new netting and posts and a noticeboard - so the current balance as at 28th February 2026 is £2,948.20.

Subs will remain the same I will update the notice on the noticeboard at the court. I plan to put something on Facebook for the village and in the Chronicle asking for new committee members. We'll see how that goes.
