Proposal for updated website and ongoing maintenance for Tostock Parish Council

Requirement:

Tostock Parish Council currently has a website using the domain name tostock-pc.gov.uk which contains both parish council and community information. This website has until recently been maintained by a parishioner who is no longer available. The website does not conform to current accessibility requirements.

The requirement is for the current website to be brought up to date to include current accessibility compliance and for future maintenance and auditing for accessibility.

Proposal:

Our proposal offers the following:

- Website hosting and support as necessary
- Updating the current website
- Regular accessibility monitoring
- Regular updating of website including parish council and community pages
- **FREE** .gov.uk domain
- Unlimited email addresses

Costs:

| | |
|---|---------|
| Initial Audit of current website and updates as necessary | £250.00 |
| Initial accessibility audit and report for your records | £70.00 |
| Annual renewal of .gov.uk domain name and mailboxes | £0.00 |
| Updating and maintenance as required (annual fee) | £750.00 |
| Annual accessibility report (if required) | £70.00 |

I hope this is the information you need but if you would like anything further, please get back to me. My mobile number if required is 07886 465552
